Inland Christian Home, Inc. is a non-profit religious institution formed and financially supported by a number of local 'Reformed' churches and the controlling Board of Directors is elected from those local churches. The primary purpose of Inland Christian Home is to provide care to seniors primarily of 'Reformed' faith. In general, 'Reformed' refers to protestant or Christian religious beliefs characterized by a belief that Jesus Christ is the Son of God, sent to the earth to die for the redemption of sins, and that all men are sinners, but through faith our sins are forgiven.

Inland Christian Home will foster an atmosphere in which Christian values and expressions are promoted and encouraged and many activities will be religious in nature. This means that by simply living on the grounds you will naturally be exposed to this atmosphere.

We acknowledge the above statements and agree that we are comfortable living in the type of environment supported by this institution and we will not object to it. A non-refundable application fee is required to be placed on the Cottage/Apartment waiting list.
